*Buildings-Sirupuppa old Sty.Sub Magistrate's office location of the new Taluk Board office, reduction of rent -Government's sanction sought for -

The President of the newly constituted Taluk Sirupuppa enquires whether any public building is able in Sirupuppa for the location of the taluk office. Since 1.9.31 the date of the abolition o Sty.Sub Magistrate's office at Sirupuppa a portion that office building has been vacant. I enclose of letter No.987/G.45b. dated 6.2.33 from the Execut Engineer, Bellary suggesting the allocation of the out to the offices of the Agricultural Demonstrator, Si and the Taluk Board after carrying out the improve mentioned therein. The President, Taluk Board who was consulted in the matter states that the portion recommended by the Executive Engineer may be assigned to Taluk Board on a monthly rent of Rs.18. The rent calculated by the Executive Engineer works out roughly to Rs.26 per mensem. In view of the fact that the portion in question is not useful for the Revenue Department present and also that it has been kept vacant ever si the Sty.Sub Magistrate's office was abolished. I recommend that Government be pleased to accord sanction under Sec. 270 I of the ...D. Code to the allocation of the building to the Taluk Board at a reduced rent o

of Rs.10 per mensem on condition that the Taluk Board will bear it is in repairs for this accommodation.

I have inspected the old Sub Magistrate's office, Siruguppa in my last camp and suggest the building may be apportioned between the taluk board office and the Agricultural Demonstrator so as to suit the requirements of both as under

As above

The archway in the clerk's hall (AL in the sketch) may be blocked up to separate the two offices and two thirds of the clerks hall, court hall and private room (ABCDEFGHKL) in the sketch) assigned to the Taluk Board Office and the remaining portion consisting of 1/3 of the clerks hall record room and the lumber room to the Agrl.Demonstrator for use as Office, show room and stores respectively. A dimensioned sketch showing the allocation proposed is enclosed.

In this connection I have to ~~point~~ for out that the Taluk board as a private local body will have to pay rent calculated under para 270E of M.P.W.D.Code which works out roughly to Rs.26 per mensem against Rs.10 to 15 which the Taluk Board promises to pay. If the building is to be let to the Taluk board at a lesser rate of rent than that is recoverable as per rules sanction of Govt. has to be obtained.
